MODIFICATION ORDER 2023**

MODIFICATION ORDER 2023**

Public footpaths, bridleways, restricted byways and byways open to all traffic are recorded on definitive maps and statements. These maps and statements provide conclusive legal evidence of the existence of public rights. Suffolk County Council is responsible for the definitive map and statement and has a duty to amend them when evidence suggests that they are inaccurate or incomplete. Such amendments are made by means of modification orders under section 53 of the Wildlife and Countryside Act 1981. These orders do not come into effect until confirmed, and if there are any objections the County Council must refer the order and objections to the Department of Environment, Food and Rural Affairs in Bristol.

The County Council has been directed by an Inspector appointed by the Secretary of State for Environment, Food and Rural Affairs to make a modification order under Section 53 to upgrade three public footpaths in Oulton to bridleway status, and part of one in Lowestoft, and to add a bridleway, as detailed in these orders. The orders simply recognise the public rights that are believed to exist. The orders do not create any new public rights.

The evidence that has been considered may be consulted free of charge at the following locations:

Objections or representations relating to the orders must be made in writing by 23 September 2023 to the Definitive Map Manager, Suffolk Highways, Phoenix House, 3 Goddard Road, Ipswich, IP1 5NP. The Rights of Way and Access Privacy Notice can be viewed at <https://www.suffolk.gov.uk/about/privacy-notice/rights-of-way-and-access-privacy-notice/> To be relevant, objections or representations should relate to the question of the existence of status of rights of way. Other objections or representations (e.g. relating to privacy, security or amenity) are irrelevant to the evidential test.

The County Council is willing to discuss the concerns of those considering objecting or making representations relating to the orders, and you may contact David Last at the above address or by telephone on 01473 264770.

The right of objection to an order is a statutory right, but it should be exercised in a reasonable manner. The costs involved in dealing with objections to orders are normally awarded against objectors only in cases of unreasonable behaviour.

If there are no objections to an order, or if all objections are withdrawn, the County Council will confirm the order, and the definitive map and statement will then be modified. If there are any objections which are not withdrawn, the County Council must refer the order and objections to the Department of Environment, Food and Rural Affairs, who will appoint an independent Inspector to consider the order and hear the objections, normally by holding a public inquiry. The Inspector may confirm the order, with or without modifications, or may decide that the order should not be confirmed.

WILDLIFE AND COUNTRYSIDE ACT 1981

DEFINITIVE MAP AND STATEMENT FOR THE PARISH OF OULTON IN THE DISTRICT OF EAST SUFFOLK

SUFFOLK COUNTY COUNCIL (PARISH OF OULTON BRIDLEWAY 14)

MODIFICATION ORDER 2023

This Order is made by Suffolk County Council (the "Authority") under section 53(2)(b) of the Wildlife and Countryside Act 1981 ("the Act"), in accordance with a direction made to the County Council by an Inspector appointed by the Secretary of State under paragraph 4(2) of Schedule 14 to the Act, to modify the Definitive Map and Statement for the parish of Oulton in the district of East Suffolk in consequence of the occurrence of events specified in sections 53(3)(b) and 53(c)(i) namely, the expiration, in relation to any way in the area to which the map relates, of any period such that the enjoyment by the public of the way during that period raises a presumption that the way has been dedicated as a public path; and the discovery of evidence which shows that a bridleway which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates.

The Authority has consulted with every local authority whose area includes the land to which the Order relates. The Suffolk County Council hereby orders that:

1. For the purpose of this Order the relevant date is 1 June 2023.
2. The Definitive Map and Statement for the parish of Oulton in the district of East Suffolk shall be modified as described in Part 1 and Part 2 of the Schedule and shown on the map attached to the Order.
3. This Order shall take effect on the date it is confirmed and may be cited as the Suffolk County Council (Parish of Oulton Bridleway 14) Modification Order 2023.
