

DC/24/2774/DRC - S106 NEAP Woods Meadow - MUGA

10th March 2025 Update

We have received from Persimmon an update sent to East Suffolk Council Planning Team concerning revised proposals for a MUGA

Letters will be sent to from Persimmon to residents highlighted in their email this week and their submission documents can be viewed on the East Suffolk Planning Portal

The Email from Persimmon sent to ESC Planning

Hello Ross and Planning Team

Following recent engagement with Ben Woolnough, Oulton Parish Council, and residents, it was collectively agreed that a multi-use games area (MUGA) would be better suited for the NEAP, subject of this condition discharge application.

Please see our revised submission which includes a MUGA in place of the previously proposed pump track. I would be grateful if the plans could be uploaded to your website, and any consultations undertaken to confirm it is acceptable.

Please note that I will be sending copies of these plans to the Parish Council, and I will be writing to neighbours next week in Birch Close (No.s 1-6, 8-12, 15, 17 & 21) and Lyncoln Drive (No.s 33-37 odd, 41-53 odd) that adjoin the proposed NEAP to advise them that they can view our updated proposal via your website.

Please let us know if anything else is required at this point.

Kind regards

*Debi Sherman | Head of Planning MRTPI
