**Summary of Recommendations:**

- Now that the Council is making payments by BACS the Risk Assessment should be updated to cover the process for this and any associated risks.
- The Council should set a General Reserve Policy, setting a general reserve of between three and twelve months revenue expenditure depending on the size of the Council. Guidance is available at item 5.32 of the Practitioners Guide 2020.

**Observations:**

The Clerk may wish to review VAT claims made for EU VAT after 1<sup>st</sup> January 2021 to ensure that all claims are valid following Brexit. Clarification on whether EU VAT can still be reclaimed has been requested from Norfolk ALC.

It is good practice for the minutes to report the value of the precept, together with the percentage increase and Band D value, at the meeting where it is agreed.

I would like to thank the Clerk for a well presented set of accounts and audit documents.
